Hickory Farms Community Association

Fall, my favorite time of year, is finally here. As I am writing this, the sun has yet to rise and the temperature is in the 50's – a far cry from the upper 90's and high humidity. The Hickory Farms Community Association annual meeting is just around the corner. I want to highlight a couple of important items on the agenda:

- New Board members for the upcoming year will be elected. If you want to serve your community, please step up. We encourage participation by all our neighbors.
- There is a proposal to build a community playground. The Playground Committee will give a brief presentation on the proposal (see also article inside this newsletter), to be followed by discussion before the matter comes to a vote. If the proposal is approved, the cost of construction and maintenance will be borne by all community members. It is incumbent upon you to be present, to be informed, and to vote for your position.

The Annual Meeting will be held on Monday, October 29, at 8:00 p.m. at the Green Acres Center at 4401 Sideburn Road, the site of last year's meeting. In preparing for the meeting, please note that the Articles of Incorporation, By-laws, and Rules and Regulations which govern the operations of the HFCA are to be found at the HFCA website at www.hickoryfarms.org - click [Laws, Rules and Regulations](#). I look forward to seeing you at the meeting.

Now I'm heading out to enjoy this fine weather!

John Kitzmiller
President

A Neighbor's Tree Falls in Your Yard – Who Pays ?

When a neighbor's tree falls on your property, who pays for the damages can be confusing, especially since the Virginia Supreme Court changed its 68 year old precedent in September 2007. Recognizing that Virginia has evolved from a largely rural state since the issue was last decided in 1939, the Court ruled that homeowners can sue to force a neighbor to cut back branches or roots or take out the tree altogether if it poses a risk of "actual harm" or an

"imminent danger" to their houses. Tree owners can now be held liable for damage caused by the tree. The Court also said that a neighbor can't sue a tree owner for minor annoyances such as "casting shade or dropping leaves, flowers, or fruit." If a tree becomes a nuisance, however, the tree owner "may be held responsible for harm caused to [adjoining property], and may also be required to cut back the encroaching branches or roots, assuming the encroaching vegetation constitutes a nuisance." So, if a neighbor's tree falls on your property or you are concerned about a neighbor's tree possibly causing damage, be aware that the law has changed. If you can't work things out with your neighbor, consult an attorney. See www.courts.state.va.us/synopsis.htm#1062339 (Kirk Randall September 2007)

Do We Have Your Contact Information ?

If you are a new homeowner or you rent out your home to tenants, please send the Treasurer your address, phone number, and e-mail address.

If you are a tenant, please give the homeowner a heads up that they are responsible for giving the Treasurer this information. The Board can then mail the newsletter and annual dues bills to the homeowner.

Some homeowners have argued that they weren't aware of the HFCA dues billing procedures and protested paying late fees. Ignorance of when annual dues are due is no excuse. HFCA has even had to resort to placing liens on homeowner properties for nonpayment of dues (A lien will block the sale of the home until the dues and penalties have been paid). So, please provide the Board with your contact information. E-mail the information to the Treasurer at jagutierrez1@cos.net or send it to HFCA, PO Box 2239, Fairfax VA 22031. (4-10)

Contact Pete Scala at 703-764-0730 or pscala@cox.net to participate

The Secret to a Successful Yard Sale

1. **Select worthwhile items to sell.** You may have some true junk to sell; but your chances of selling it, or anything else, go up if you get people to look at your stuff by having good things out there.
2. **Prepare your merchandise ahead of time.** Wash and press clothes, dust and polish furniture, paint and oil old bikes, make sure electronics work and have demo CDs, tapes, etc.
3. **Stock up on loose change.** You'll need ones, fives, and coins; how much depends on how many things you have for sale, and what prices you pick (if your stuff is all 5.99, 11.59, etc., you'd better have a lot of pennies!).
4. **Put prices on your sale items the night before. Use large tags.** People will try to bargain you down, so take that into account when you pick your asking price.
5. **Display your items in attractive manner.** Run extension cords to power electrical appliances, so you can demonstrate they work.
6. **Be ready early on Saturday morning.** Aggressive yard sale shoppers start as early as 6:30 a.m. If you're out there in the dark, you can get their business.
7. **Have a chair to sit on and a partner to work with.** The day will get long.
You might have to take a break. (9 or 10)

**Gather up your Ghosts & Goblins
And put on a Scary Face!**

**It's the Annual HFCA

Youth Services

Youths who are residents of Hickory Farms may offer services to their neighbors. If you wish to offer services such as snow removal, raking leaves, lawn mowing, babysitting, general home maintenance, etc., **your parent** should e-mail or write (no phone calls, please) The Editor, Kirk_Randall@Hotmail.com, giving the youth's name/age, telephone number, and a list of services to be offered. The e-mail should also state that the youth has permission to be listed in the newsletter. (1-4-7-10)

Parking on the Yard – Short Term Only

A vehicle may be parked on the front yard for **no more than 48 hours** to allow residents to unload, work on the vehicle, and/or clean it. Report violations to Fairfax County Zoning 703-324-1300 (10)

Beware of Halloween "Tricks" on October 31

A few years ago, some pranksters vandalized several HF cars that were parked on the street overnight on Halloween. It's always a good idea to keep your driveway clear during trick-or-treating hours, for the safety of the kids who will use the driveway as a path to your door. However, you might want to move your car off the street after trick-or-treat is over. (10)

Your *Exterior* Remodeling Project *May* Need Approval

If you are changing the exterior appearance of your home, you may need Architectural Control Committee approval. Please don't run the risk of holding up the start of your project awaiting ACC approval; submit your proposal to the ACC as early as possible. You *must* have ACC approval before you begin the project. If you are in doubt as to whether approval is required for your particular project (and some don't require approval), please read the *Application for Architectural Review*. If you're still doubtful, call the chairperson of the ACC (see page 1 of this newsletter for contact information). You might also log into our community web page – www.hickoryfarms.org – to read the following helpful documents: [How to Get ACC Approval for](#)

[Your Renovation Project](#) and [Tips for Choosing a Contractor](#) . The official *Application for Architectural Review* is attached to this newsletter, and may also be [viewed on the web in PDF format](#) . (1-5-9)

Woody's Oktoberfest Party October 6

Woody's Ice Cream, a Hickory Farms summertime favorite, is holding its annual end-of-season party October 6, 4-8 PM. Woody's blocks off Stonewall Avenue, brings in a band and serves free food and ice cream. For more details, visit Woody's on Stonewall Avenue, right next to Carlos O'Kelly's (closed Sunday). (9-10)

This Month's Home Maintenance Checklist

The complete list may be found on the [HF web site](#) under "Home Maintenance and Appearance" – "Home Maintenance Checklist." Send your suggestions to Kirk_Randall@Hotmail.com (All)

Dehumidifier Shutdown – Clean out the dehumidifier bucket and vacuum the coils when you shut it down for the season.

Smoke Alarms & Carbon Monoxide Detectors Check – Replace smoke detector batteries (don't wait for them to die). Press test buttons on smoke alarms and carbon monoxide detectors. Open each unit and vacuum dust that could interfere with operation. Carbon monoxide detector batteries are usually not replaceable by the user.

Water Heater Flushing – Connect a hose to the water heater drain valve and flush it until the water runs cold. This removes sediment that can reduce efficiency and cause premature failure. Test the tank top pressure relief valve by releasing a small amount of water, using a bucket to catch the water as it comes out.

Furnace & Heat Pump Fall Checkup – Schedule a fall service checkup

Report a Burned Out Streetlight

or one that's on during daylight hours, too. Call 1-888-667-3000 or visit www.co.fairfax.va.us/dpwes/utilities/dvp_outage.htm You'll need the address of the home nearest the streetlight. It is also helpful to copy the number off the streetlight pole – something like C-415 W096. (10)

A Playground for Hickory Farms ?

At the HFCA Annual Meeting in October 2006, several homeowners voiced an interest in exploring the possibility of installing a playground in the community. The HFCA Board created a Playground Committee, which has spent the past several months researching the issue and interviewing playground companies. Committee members are Chairman Keith Ferguson, Ellie Coddling, James Lewis and Heather Webb. The Committee's goal was to identify a high quality playground that would provide the maximum amount of entertainment possible for our children at a reasonable price, and with a design that would not be disruptive to the common lands.

The Committee provided its report and recommendation to the HFCA Board at the June meeting. The Board approved the recommendation, and it will be put to the community for a vote at the 2007 Annual Meeting in October. The recommendation is to authorize a budget not to exceed \$30,000 to contract with playground manufacturer GameTime to build a playground structure in the Upper Commons that would be suitable for children ages 2-12. GameTime is a reputable manufacturer that has done extensive business with Fairfax City and Fairfax County. Some of the many local parks that include GameTime structures are: Clemyjontri, Ratcliffe, Van Dyke and Burke Lake. The Committee selected a structure that includes a number of slides and climbing features that would cost \$27,600. This amount would include the cost of the structure itself and all installation fees. In its research, the Committee found that the installation of the structure would increase HFCA's liability insurance costs by \$100 per year. The Committee has also recommended a budget of approximately \$1,000 per year to cover any maintenance costs for the playground. According to GameTime, the major maintenance cost would be replacing or replenishing the groundcover every two to three years.

The Board is developing a proposal for funding the playground, which will also be subject to a vote by Hickory Farms homeowners at the Annual Meeting, should the proposal to install the playground meet with the community's approval. The Playground Committee will distribute more detailed information to the community this month. You may have already received it!
